

Nadezhda _____, being duly sworn, deposes and says:

1. I am making this affidavit in support of the application by Tetyana _____ for adjustment of status.

2. I was born on September 5, _____, near Moscow, Russia.

3. I came to the United States as a refugee on February 18, _____. I am now a permanent resident alien, registration number A_____.

4. I reside currently at _____ 86th St., Apt. __, Brooklyn, N.Y. 11223, tel. 718/____-_____.

5. I have known Tetyana's husband, Savely _____, since November _____, as my neighbor living in the same building, at Apt. __. We used to meet each other often in the street, when I would be walking my dog, in the evenings. At that time I worked in Amway and sold Amway cosmetic products from my apartment. I knew Savely was single, so I decided to introduce him to my customer Tetyana _____. I knew that Tetyana was an artist and that Savely loved art and had an extensive collection of art books. One day Tetyana came to buy cosmetics. At that moment Savely came in to repair my chair. I introduced Tetyana to Savely and suggested that they visit the Metropolitan Museum of Art together. They followed my suggestion and thereby became friends. I would often meet them walking together. In August of _____ Tetyana moved into Savely's apartment. I saw them every day after that, happy and together. When they moved together out of the building and into another building in a different neighborhood, I naturally saw them less often, but we still see each other frequently and remain good friends.
